

Property Caretaker

Work outdoors in a hands-on role

Salary + accommodation + super

An enjoyable work environment and team

Our rapidly expanding organisation requires a Property Caretaker to clean and tidy the landscaped and common areas in a prestigious residential complex.

Your duties will include maintenance and cleaning of the common property, minor electrical repairs, general gardening work, supervising sub-contractors and other ad-hoc duties as directed.

This is a hands-on role that will require you to work outdoors and mostly unsupervised so you will need to be self-motivated and pro-active.

If you have experience in maintenance, landscaping or cleaning then we want to hear from you. This is a full-time position with a respected company that has a reputation for uncompromised quality

If you are interested in this role, please contact Peter Corcoran on (03) 9385 0040 or email your resume to peter@roscon.com
